Acting Assistant Secretary
for Congressional Relations
The Department of State
Washington, D. C. 20520

Dear Mr. Jenkins:

I would appreciate it if you could provide me with the most up-to-date information on the health of Kim Chi Ha, Kim Dae Jung and the other prominent Koreans who were recently imprisoned by the Park regime for advocating the restoration of democracy in South Korea. Would you also please inform me whether President Park has reconsidered the imprisonment of these leaders, as I and seventeen of my Senate colleagues urged him to do in a letter sent on September 30, 1976.

Finally, I would appreciate knowing the status of the investigation which I understand that the Federal Bureau of Investigation is conducting with regard to the activities which Reverend Sun Myung Moon's church is allegedly conducting in the United States in behalf of the South Korean government.

With every good wish.

Ever sincerely,

Claiborne Pell
